The Cirque

Enjoy spectacular views of the city in your luxury disability housing apartment in Perth's Mount Pleasant. The Cirque development will comprise two organically shaped towers linked on the fourth floor by a common podium.

The elegant butterfly-wing profile of the towers will ensure every resident has sweeping, uninterrupted views. The unique shape reduces the perception of volume and will be an elegant addition to the foreshore.

Enliven Housing has created ten two-bedroom SDA apartments. All apartments have an internal area of 94m² and an expansive external area of 24m².

These luxury SDA apartments are designed by award-winning architects MJA Studio. Their vision is based on the pillars of community, sustainability, wellness and luxury.

There is a host of amazing communal inclusions including a heated swimming pool, spa, sauna and gym. You can enjoy private dining rooms, cosy cabanas, an elegant cocktail bar, barbecues, a cinema and even a children's playground.

Mount Pleasant is one of those suburbs that has everything. The Canning River foreshore features a flat 3km walking and cycle path, perfect for getting your daily exercise. There are also plenty of dining options and Westfield Booragoon is nearby with its 190 retail outlets and dining options.

Enliven Housing will offer these spacious SDA apartments throughout this stylish development. SDA accommodation will be supported for the Improved Liveability, Fully Accessible and High Physical Support categories. Enliven Housing incorporates adjustable bench-top kitchen and wheelchair accessible private outdoor areas.
